Seven night Journey by Rail vacations on elegant rebuilt passenger Cars travel to and lay over at en-route destinations throughout the United States and into Canada. Cars begin service when improvements are complete; about 32 luxurious Cars with 134 bedrooms in three years, and 60 Cars having 175 bedrooms within five.

A combination of sleeping, dining and lounge Cars create superb Train Sets. Individual, self sufficient Private Cars travel alone or with a Train Set

Wonderful passenger accommodations include large beds that convert to plush sofas, a cozy chair that

converts to a single bed and full private bathrooms.

All-inclusive Journeys include fine dining, all kinds of beverages and utmost service.

Journey by Rail Cars traveling as part of Amtrak and other railroads are dropped off and park at en-route destinations allowing passengers to live on board while enjoying a never ending selection of optional nearby activities. Amtrak passengers endure moves to

and from hotels to stay and enjoy local attractions. Cars are subsequently picked up by another train to travel to another destination.

After completion of shakedown Journeys around the end of 2016, accelerating expansion will include Circle America itineraries*, followed by eastern destinations from Miami to Montreal, west coast routes from San Diego to Vancouver, Chicago to and from west coast cities, southern and mid America service from San Antonio, and more thereafter.

Journeys by Rail are one of **America's finest luxury vacation values**. The price of a comparable foreign train vacation is between \$900 and \$1,700 per person per day compared to about \$800 for a Journey by Rail, \$6,400 per person for eight days.

*See Circle America information.

**Limited time offer. Normally, there will be no fare discounts.
