

America's Trains Inc. - Cars

The "Carnation"

The Carnation has two Grande Suites, crew quarters, a bar, full kitchen, and a dining /lounge area that can be reconfigured depending on whether it is traveling alone or with a complementary companion sleeping and lounge Car with four Master Suites, the Violet.

When traveling alone there are normally only four passengers. When traveling with the Violet there are 12 passengers in a total of six bedrooms, including four Master Suites on the Violet..

The total cost of the Carnation after mechanical repairs, exterior finishing and interior improvements is \$675,000.

Interior remodeling of the Carnation includes facilities shown in the above floor plan drawings. Finishing includes porcelain, leather, ceramic, marble, hardwood, copper, cork and fabric materials. Tasteful décor accessories, fixtures, custom glass furniture, other exquisite furnishings and modern amenities further enhance passenger gratification.

Cars and their layouts are subject to changes.
