

## JOURNEYS BY RAIL INCOMPARABLE VACATIONS

Journey by Rail vacations are on elegant rebuilt passenger cars that travel on routes throughout the USA and into Canada with

extended layovers at en-route destinations.

Rebuilt cars enter service when refurbishing

Rebuilt cars enter service when refurbishing is completed. About 38 of the world's finest rail cars having a total of about 140 bedrooms will be introduced within several years.

Up to 5 luxurious sleeper, dining and lounge cars travel together as train sets. Self sufficient cars can travel alone or as part of a train set. Deluxe passenger accommodations include large beds and

full private bathrooms.

All-inclusive service offers exceptional dining, all kinds of beverages, 24-hour room service, on board enjoyment and

impeccable passenger support during America's most distinctive, unique vacations.

Journey by Rail cars, traveling with Amtrak and other railroads, stop and park at

intriguing en-route destinations including some initial departure and final disembarking stations. Passengers live on board cars at layovers while enjoying a wide variety of nearby things to do. Cars are dropped off by one train at en-route destinations and subsequently picked up by another train to travel onward to the next layover. Passengers don't need to move to hotels to stay and enjoy local attractions.

Journeys by Rail are among America's finest all-inclusive luxury vacation values. The average price of a comparable foreign train vacation is about \$1,500 per person per day, 35% more than a remarkable America's Train Journey.

Journeys by Rail target domestic consumers who have had to travel to other countries to enjoy an upscale train vacation, and foreign vacationers looking for a unique way to see the United States.

Journeys by Rail are the inclusive way to experience America's diverse grandeur, natural attractions and endless things to do while traveling in the lap of luxury.
