Dear Barry,

We are very excited to hear about the renovations and upgrades taking place with America's Trains; there has been a lot of great press lately about the resurgence of train travel and we're happy to see your progress!

RCI as part of the Wyndham Destination Network with our over 3 million member families has a great demand for the luxury train travel product your organization is planning.

We provide over 2 million families with great vacations year after year and believe that your services fill a general need and there is notable consumer interest for Journeys by Rail.

As the world leader in vacation exchange and travel, we look forward to our ongoing relationship and jumping on the train!

Kind regards,
