

America's Trains Inc. ("ATs")

Savor America's grandeur, diversity and natural attractions without moving in and out of hotels

THIS IS WHAT WE DO - No one else in the USA does

We're bringing requisite luxury train vacations to America, to fill a void and excess demand.

- Luxurious Journeys by Rail on [a growing number of itineraries](#) throughout the U.S.
- On our (ATs') exquisite, unmatched sleeping, dining and lounge rail "Cars".
- Ultra-luxe bedrooms (en suite baths) and lounges with gratifying amenities.
- Gourmet dining, complimentary beverages, 24 hour room service, with a butler.
- Impeccable, personalized service, on and off Car.

ATs' "Golden Coaches" equal or exceed [the world's finest](#)

- Wonderful en-route scenery, from Canada to Mexico and the Atlantic to the Pacific.
- En-route layovers at various locations where passengers live on elegant parked Cars while enjoying all kinds of off-Car activities.

Tracks to Adventure™ and other intriguing tours and activities during layovers

- Collaborating with Amtrak, other railroads and major travel industry entities.

All inclusive luxury vacation preeminence; there is nothing else like it.

Be part of, profit from, and enjoy America's preeminent ultra-luxe vacations

Get involved in ATs, "one of the most significant travel trends of this decade and beyond".

- Burgeoning luxury train [demand](#), traction and sales.
- U.S. market dominance, no meaningful competition.
- Unmatched management [experience](#).
- Positive cash flow and net income in the first year.
- Shareholders are secured by collateralized rail Cars.
- Preferred full return on investment, with ongoing profits.
- Pricing includes built-in **net income of 33 to 38%**.
- Investor's avoid risk, at an undervalued share price (for now), with an enviable and affirmable projected return on investment, and wonderful vacation opportunities.

There is every reason for astute large or smaller investors to get involved.
